

Birth Thru Grade 2 Work Group Benchmarks

Increase communication during transition between early childhood settings and the kindergarten/school setting

- Develop and implement documents to enhance communication to enable a successful transition from program to program/school
- Serve as a convener for collaboration of agencies (Birth – 2, Preschool, K-12)

Promote best early childhood practices

- Foster the promotion of county/regional professional development opportunities
 - Promote education of all caregivers/teachers (credentials)
- Engage parents/caregivers on new ways to support learning and the understanding of developmental milestones
 - Connect with established organizations that sponsor family and parent information meetings or social events
- Raise awareness of transitional issues by connecting partners with current information and best practices
